

SOUTH CAROLINA Department of Disabilities and Special Needs

Pervasive Developmental Disorder Waiver Information Sheet

Prior to 1991, the Federal Medicaid program paid for services to SCDDSN consumers only if that person lived in an institution. The approval of Federal Home and Community Based Waiver programs allowed Medicaid to pay for services to consumers in their homes and in their communities. Section 1915(c) of the Federal Social Security Act enables the South Carolina Department of Health and Human Services to collaborate with the South Carolina Department of Disabilities and Special Needs (SCDDSN) to operate a Home and Community-Based Waiver program for people with Pervasive Developmental Disorders (PDD). This waiver was approved in January 2007.

PDD Waiver services are provided based on identified needs of the participant and the appropriateness of the service to meet the need. Services can be limited due to provider availability in the recipient's county. A list of enrolled and qualified providers of PDD Waiver services can be located at the SCDDSN website (www.state.sc.us/ddsn/) or by contacting the local Disabilities and Special Needs Board in the county in which the recipient lives.

PDD Waiver Participation

To participate in the PDD Waiver, a person must:

- ✓ be age three through ten.
- ✓ be diagnosed with Autism or other Pervasive Developmental Disorder by age eight.
- ✓ be eligible to receive Medicaid or already qualified for Medicaid.

Applying for PDD Waiver Services

- If your child is age three through ten, contact the PDD Intake and Referral Call Center at 1-888-576-4658.
- Inform the screener that you wish to apply for the PDD Waiver. The screener will complete the initial paper work, help to obtain basic information and offer the choice of Service Coordination providers.
- You will receive written response from SCDDSN regarding your PDD Waiver application once the Freedom of Choice and Level of Care have been completed.
- If your child is age three through ten and currently receiving services from DDSN, contact your child's Service Coordinator concerning PDD services.

Your Annual Plan

An annual plan of services and supports **must** be completed once every 365 days. If your new plan is not completed by the 364th day, Medicaid cannot pay for your services that were provided. Please work with your Service Coordinator or Early Interventionist to make sure that your plan is completed timely every year.

PDD State Funded Program

Children who do not meet ICF/MR Level of Care, but meet all other eligibility requirements may receive services outside the waiver through the State Funded PDD program if funding is available.
